Dear Sir,

PETITION UNDER 37 CFR 1.181

**Petition to Withdraw Holding of Abandonment Based On
Failure to Receive Office Action**

The Commissioner is hereby petitioned to withdraw the holding of abandonment and remail the Office Action; namely, the Notice of Allowance and Fee(s) Due. This request for this petition is made within 2 months of the mailing date of February 27, 2006 for the Notice Of Abandonment. No fee for this Petition is required per the Attachment of Notice of Abandonment.

In support of this petition, attached is the affidavit of Craig Wilson which sets out that the Notice of Allowance and Fee(s) Due bearing a mailing date of October 6, 2005 was not received by Craig Wilson, the Patent Agent of Record.

The affidavit indicates that a search of the file jacket and docket records for the subject U.S. patent application indicate that the Notice of Allowance and Fee(s) Due was not received. Copies of the docket records kept by Craig Wilson are also attached to his affidavit demonstrating that while other communications from the office were received and due dates docketed, the Notice of Allowance and Fee(s) Due for the subject application was not received.

Your petitioner prays that this petition be granted and that a Notice of Allowance and Fee(s) Due Office Action be remailed to the Agent of Record.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Craig Wilson', with a stylized flourish at the end.

March 22, 2006

Dear Sir,

**AFFIDAVIT IN SUPPORT OF
PETITION FILED UNDER 37 CFR 1.181**

I, Craig Wilson, of 14 Westhead Road Toronto, Ontario M8W 4R9, Canada,
hereby make oath and say:

1. That I am the Agent of Record noted in the subject U.S. patent application Serial No. 10/781,765 and as such have knowledge of the facts herein disposed.
2. On March 9, 2006, my office received a Notice of Abandonment for the subject application indicating the subject application had gone abandoned through failure to timely pay the required issue fee and publication fee. The Notice of Abandonment had a mailed date of February 27, 2006. Upon receipt of this Notice of Abandonment, I searched the subject file jacket and our docketing records. There was no copy of the Notice of Allowance and Fee(s) due Office Action in the file jacket and no record of receiving the Notice of Allowance and Fee(s) due Office Action has been docketed in any of our records.

The Notice of Allowance and Fee(s) due Office Action was not received by me or by my office.

3. On March 9, 2006 I made a search of the U.S.P.T.O Public PAIR access site for the subject patent application and was able to determine that a Notice of Allowance and Fee(s) Office Action appeared to have been mailed by the Office on October 6, 2005 and the payment of the fee was due no later than January 6, 2006.

4. It is the practice of my Office to enter all incoming mail relating to patent and trademark matters from the Canadian Patent Office, the U.S. P.T.O and our foreign associates immediately into a Mail Book prior to distribution and review in my office. The date the correspondence is received, our docket number, the serial or patent number, and the due date for any response are recorded in this book. Now shown to me and attached as Exhibit 1 of this affidavit are pages photo copied from this Mail Book for correspondence received between October 3, 2005 and January 6, 2006. Typically, mail coming from the U.S.P.T.O. reaches our office in between 6 and 14 days of mailing. From the records recorded in the Mail Book Exhibit 1 there is no record of receiving the Notice of Allowance and Fee(s) due Office Action for the subject application. It is interesting to note that for the October 19, 2005 entry that we record a "NA: 10/747,190 CWC243" having a due date of 1.13 and an arrow check mark through this due date. This refers to another US application serial number 10/747,190 bearing our docket number CWC-243 that was handled by this office. The NA: stands for Notice of Allowance and Fee(s) Due Office Action. The 1.13 refers to a due date of January 13, 2006 and the check mark means we paid this fee. Clearly, the Mail Book records indicate that the Notice of Allowance and Fee(s) due Office Action for the subject application was not received.

5. It is also the practice of the office to record the Mail Book Entries into an electronic file for sorting purposes. We refer to this file as uncompleted mail. As mail action items are completed we place them into an electronic file we refer to as completed mail. Completed mail files are kept for each calendar year in which an action is completed by this

office. Now shown to me and marked as Exhibit 2 is a print out of our uncompleted mail sorted by due date covering the due dates around the January 6, 2006 due date for the Notice of Allowance and Fee(s) due Office Action for the subject application. Now shown to me and marked as Exhibits 3 and 4, respectively are print outs of the completed mail files for portions of 2005 and 2006 for items having due dates around the January 6, 2006 due date. None of Exhibits 2, 3, or 4 refers to the Notice of Allowance and Fee(s) due Office Action for the subject application having a due date of January 6, 2006. In Exhibit 3 for action items completed in 2005 it is interesting to note that The Notice of Allowance and Fee(s) due Office Action for previously mentioned US. Serial Number 10/747,190 were paid 11.16.05.

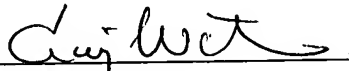

6. It is also the practice of this office to record into an electronic file and print copies into a book for all Notice of Allowances due for all our files in Canada, the US and other countries. The book is broken into a page for each month in which an issue fee is due. The due date for the issue fee is also recorded on the monthly page as well as the date we complete a due date action. Now shown to me and attached as Exhibit 5 is a copy of the page for the Notice of Allowance or Final Fees due for January 2006 to be paid by this office. There is no entry in this docket record for the subject application. Interestingly, the previously noted related docket CWC-243 for the US allowance fee is shown docketed on this record with a due date of January 13, 2006

7. It is also the practice of my office to diary due dates for Notice of Allowance and Fee(s) due Office Actions received from the US patent office onto a calendar. Now shown and attached as Exhibit 6 is a photo reduced copy of a portion of this calendar. There is not entry shown no January 6, 2006 for the subject US patent application. Interestingly, the previously noted related docket CWC-243 for the US allowance fee is shown docketed on this record with a due date of January 13, 2006.

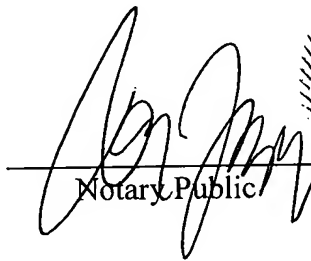

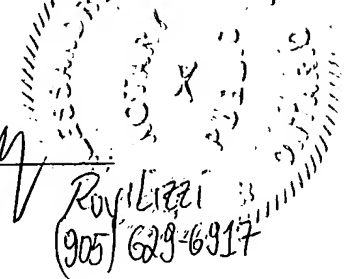

8. Clearly, the search of the file jacket by me not locating a copy of the Notice of Allowance and Fee(s) due Office Actions and the records docketed by this office

demonstrate that the Notice of Allowance and Fee(s) due Office Actions dated October 6, 2005 was not received by me or my office.

Sworn at the city of Mississauga, Ontario this 22nd day of March 2006.
